

- 1. Will be there any changes to Rydex|SGI based on the transaction?**
Clients are largely unaffected by the change— our investment teams and processes remain in place and clients will continue to work with the same service and distribution team members as they have in the past. Having additional resources will fuel Rydex|SGI's growth and the value we can offer our clients, such as additional innovative products and enhanced operational infrastructure and education programs.
- 2. Will SGI be able to offer me access to new strategies and solutions as a result of the ownership change?**
Yes. Our future includes plans to introduce new and innovative products in 2010 and beyond and we believe that Guggenheim's ownership will serve to strengthen our ability to roll out new products to the market.
- 3. Who can I contact with questions? Do I work with the same customer service department?**
Yes, you will continue to work with the same service team members as you have in the past, with the same phone numbers and email addresses.
- 4. Will SGI management change?**
We do not expect management to change as a direct result of the transaction.
- 5. What will happen to the Rydex|SGI brand?**
The Rydex|SGI brand will remain in place.
- 6. Who is Guggenheim?**
Guggenheim Partners, LLC is a diversified financial services firm with more than \$100 billion in assets under supervision. The firm's businesses include investment management, investment advisory, insurance, investment banking and capital markets services. The firm is headquartered in Chicago and New York with a global network of offices throughout the United States, Europe and Asia.
